

Acton-Shapleigh Youth Conservation Corps

2017 Erosion Control Crew Leader Application

The Acton-Shapleigh Youth Conservation Corps (ASYCC) was founded in 2001 serving the towns of Acton and Shapleigh Maine. The ASYCC is committed to protecting the waterways of Goose Pond, Loon Pond, Square Pond, and Mousam Lake. The ASYCC provides education, community outreach, technical assistance, and courtesy boat inspections to improve water quality within the watershed.

Each season the ASYCC works to improve on past season success, while continuing the workmanship the community has grown to know. The ASYCC is committed to hiring knowledgeable and dependable employees, while making a presence in the community, providing educational resources, and working together with the towns and property owners to protect the Mousam Lake-Square Pond Watershed. This position, as the Erosion Control Crew Leader, is an important part of the success of the ASYCC.

The Erosion Control Crew Leader will be responsible for the ASYCC Erosion Control Crew, which shall include, but is not limited to:

- Provide direct supervision to the crew
- Communicate directly and often with the Program Director
- Successfully implement site plans designed by the Program Director
- Administrative tasks directly related to the Erosion Control Crew: Payroll, mileage, weekly reporting to Program Director, etc.
- Be available Monday thru Friday 8:00 am to 4:30 pm with the potential for an occasional weekend day or week night.

Requirements/Qualifications:

- The Erosion Control Crew Leader shall be a full time or part time resident of Acton or Shapleigh;
- The Erosion Control Crew Leader shall have prior experience working with and/or for a Youth Conservation Corp;
- The Erosion Control Crew Leader shall have the ability and willingness to perform physical labor and work outside in varied weather conditions; and
- Possess the necessary communication, organizational, and management skills sufficient to lead a high school age crew, interact with the public, and work under the direction of the Program Director.

Please fill out the attached application form completely. Submit the application via email to programdirector@asycc.com. For more information about the ASYCC please go to www.asycc.com.
