We invite you to join us as a sponsor for this event. By being a sponsor, you will promote your company to groups that actively support area businesses – Tournament Participants, Lake Residents/Property Owners (over 1,400!) and Area Professionals. Companies like yours make available the resources that enrich our community and insure that worthwhile organizations like the Youth Corps continue their outreach. Good stewardship of our lakes yields a thriving environment for all.

We are anticipating another highly successful and well-attended Outing. More than 80 participated last year in this much-publicized event. We are offering various levels of sponsorships. Please see the attached sponsor form for more information.

The Acton-Shapleigh Youth Conservation Corps is in its' 11th season of serving within the towns of Acton and Shapleigh. The group has successfully implemented several programs over these years to raise awareness and positively impact lake water quality for the region. Last year, the group was recognized by the Environmental Protection Agency for its role in the success story of Mousam Lake being removed from Maine's Impaired Lake list. We thank you in advance for your support. If you are sponsoring us once again, you have our sincere gratitude. THANK YOU!

Sincere regards on behalf of the ASYCC,

Bill Sherman
